Health Technology Assessment Regulation Info Sessions

Multi-city hybrid European roadshow delivered across Europe to support the rollout of the Health Technology Assessment Regulation.

European Commission (DG SANTE) • 7 cities • 200 delegates per session

Key contributions

- Led venue & supplier sourcing across 7 European cities
- Coordinated simultaneous interpretation in 4 languages
- Managed and briefed the MC and 30+ speakers per session
- Oversaw technical & audiovisual production across all events
- Coordinated the visual identity & ensured consistent branding across all locations

Whether you need extra support during a busy period or someone to take ownership of an event from start to finish, I'd be happy to support your team.

LET'S TALK.
